

Material Safety Data Sheet

May be used to comply with OSHA's Hazard Communication Standard, 29 CFR 1910.1200. Standard must be consulted for specific requirements.

U.S. Department of Labor Occupational Safety and Health Administration (Non-Mandatory Form) Form Approved OMB No. 1218-0072

IDENTITY (As Used on Label and List) Citrus II Hospital Germicidal Deodorizing Cleaner

Note: Blank spaces are not permitted. If any item is not applicable, or no information is available, the space must be marked to indicate that.

Section I

Manufacturer's Name: Beaumont Products, Inc. Address (Number, Street, City, State, and ZIP Code): 1560 Big Shanty Road Kennesaw, GA 30144

Emergency Telephone Number: (770) 514-9000 Telephone Number for Information: (770) 514-9000 Date Prepared: 10/17/95 Signature of Preparer (optional)

Section II - Hazardous Ingredients/Identity Information

Table with 4 columns: Hazardous Components (Specific Chemical Identity, Common Name(s)), OSHA PEL, ACGIH TLV, Other Limits Recommended, % (optional). Rows include Chelating Agents and Diethylene Glycol n-Butyl Ether.

Section III - Physical/Chemical Characteristics

Boiling Point: 212F Specific Gravity (H2O = 1): 1.009 Vapor Pressure (mm Hg.): NA Melting Point: NA Vapor Density (AIR = 1): NA Evaporation Rate (Butyl Acetate = 1): NA Solubility in Water: Excellent Appearance and Odor: Translucent, yellow liquid with a lemony odor.

Section IV - Fire and Explosion Hazard Data

Flash Point (Method Used): Not Combustible Flammable Limits: LEL NA UEL NA

Extinguishing Media: Use appropriate media for surrounding structures & containers.

Special Fire Fighting Procedures: Wear self-contained breathing apparatus in confined areas or where smoke or fumes can drift or accumulate.

Unusual Fire and Explosion Hazards: N/A

Section V — Reactivity Data

Stability: Unstable | Conditions to Avoid: High Temperatures
Stable | X
Incompatibility (Materials to Avoid): N/A

Hazardous Decomposition or Byproducts: Oxides of carbon and nitrogen may form upon thermal decomposition

Hazardous Polymerization: May Occur | Conditions to Avoid: Excessive heat
Will Not Occur | X

Section VI — Health Hazard Data

Route(s) of Entry: Inhalation? No | Skin? No | Ingestion? Yes
Health Hazards (Acute and Chronic): Acute: Eyes, may cause irritation, ingestion, may cause gastrointestinal irritation, vomiting, nausea, diarrhea. Skin - may cause irritation due to defatting of skin.

Chronic - N/A
Carcinogenicity: No | NTP? No | IARC Monographs? No | OSHA Regulated? No

Signs and Symptoms of Exposure: Eye and skin irritation may develop depending on duration and severity of exposure. Ingestion may cause irritation, nausea, diarrhea or vomiting depending on severity of exposure.
Medical Conditions Generally Aggravated by Exposure: N/A

Emergency and First Aid Procedures: Skin - flush exposed areas for 15 min. Apply skin lotion if defatting occurs. Ingestion - drink 1-2 glasses of water. Induce vomiting by taking 1-2 TLBS of syrup of ipecac. Then get immediate medical attention.
Section VII — Precautions for Safe Handling and Use: Eyes - flush for 15 min. Seek medical attention.

Steps to Be Taken in Case Material is Released or Spilled: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Waste Disposal Method: This material is regulated under sara title III. Follow local, state and federal regulations to ensure proper disposal.

Precautions to Be Taken in Handling and Storing: Maintain adequate ventilation, wear rubber gloves for prolonged exposure. Wear approved glasses if eye contact is possible.

Other Precautions: Avoid contact with eyes, skin, clothing. Wash thoroughly with soap and water after handling. Wash contaminated clothing before reuse.

Section VIII — Control Measures

Respiratory Protection (Specify Type):
Ventilation: Local Exhaust | Special: N/A
Maintain general ventilation and exhaust
Maintenance (General) | Other: N/A
Maintain general ventilation

Protective Gloves: Wear rubber gloves for prolonged exposure.
Eye Protection: Wear approved eyeglasses if eye contact is possible.
Other Protective Clothing or Equipment: N/A

Work Hygienic Practices: Wash thoroughly after handling.
